

Vertical balers

X-series X10 HD

LIMITED SPACE FOR WASTE

The X10 HD is suitable for smaller retail shops, industrial companies or other companies, who need a compact baler with high capacity. The compact design makes it ideal where space is limited.

Equipped with cross cylinders, this machine offers superior press force but also a very low overall height. The X10 HD has a relatively large filling opening, making the daily operation as easy as possible.

Meets and exceeds ANSI Standards Z245.5 and OSHA Safety Standards. UL® & CUL® Approved Control Panel.
